Dear Elyes

On behalf of the Board of the African Confederation of Equestrian Sports (ACES), we would like to congratulate you on the wonderful achievement of being part of Team Africa and achieving the Team Bronze. You have done your home continent of Africa very proud.

ACES is very proud of you and we look forward to many years of watching you ride and develop the sport in Africa, and hopefully go on to represent us at many levels.

Thank you again many thanks to your coach Ahmed Lasram.

Yours sincerely on behalf of the ACES Board
